

ROBERT ALEXANDER.

[To accompany bill H. R. No. 288.]

JANUARY 19, 1832.

Mr. BURGESS, from the Committee on Invalid Pensions, made the following

REPORT:

The Committee on Invalid Pensions, to whom was referred the petition of Robert Alexander, report:

The petitioner sets forth that he was a member of the Baltimore union volunteers, under the command of Capt. C. Adrian, of the 5th regiment of Maryland militia; that, during the battle of North Point, he received two wounds, one in his arm, and the other under his shoulder blade; that, in consequence of the wounds he so received, he was, on the 19th November, 1814, placed on the pension list at half-pay.

On account of the increasing disability arising from the effects of those wounds, he now asks to have his pension increased to full pay. Drs. J. McCally and Jones certify to the facts, and to the disability in consequence of the wounds. The committee consider that petitioner is entitled to full pay, and report a bill accordingly.
